We are grateful to our OLLI community for supporting OLLI, and for donating your time, talents, and ideas. We are also grateful for your financial support through donations to our annual fund, scholarship fund, and DEIA fund.

Goals

- To grow curriculum opportunities through expanded classroom technology.
- To increase member connectedness to each other, the volunteers, the instructors, and programming.
- To increase access for every adult in central Virginia to engage in stimulating academic and social programs.
